

## Struggling to find employees with the right skills and the right attitude?

Florida Ready to Work helps take the guesswork out of hiring. It is a new employee credentialing program sponsored by the state of Florida.

**It's free and it will change the way you hire.**

Florida Ready to Work tests job skills and work habits. It will help you identify which job applicants have the most potential. Florida Ready to Work career seekers arrive ready to work with a credential from the state of Florida that shows you what they can do.

To attain the credential, career seekers will be scored in three assessment areas.

**Applied Mathematics** - Workplace mathematical reasoning, basic functions, percentages.

**Reading for Information** - Comprehension and reasoning when using written workplace text.

**Locating Information** - Application of charts, graphs, maps, gauges, diagrams, charts, tables and more.

Florida Ready to Work gives employers a **competitive-edge**:

- Reduces employee turnover
- Reduces employee training costs
- Saves hiring time and money, increasing productivity

And not only can Florida Ready to Work be used as a hiring tool, it can be used to build the skills of current employees and evaluate for promotions – **for FREE!**
